

The Reverse Advent Calendar for the MS Food Drive
Sponsored by NCMS Builders Club, Student Council, NJHS, and
Environmental Garden Club
November 27th - December 18th, 2023

If you are able, please only send in the item on the calendar each day for the Food Bank, as items are counted and boxed together for quicker distribution at the Food Bank. Items will be distributed to the groups prior to Winter Break. Items may be dropped off at the tables by the main office each day. Please do not send in anything that needs refrigeration or that will spoil quickly. Thank you for your support.
