

# 1st ANNUAL NCS THUNDER RUN

It has come to our attention that the directions may not have been as clear as they could have been. Please allow us to clarify and thank you for your patience!

**May 13th - Elementary School**

**May 15th - Middle School**

- The THUNDER RUN is a separate event for each school. Every student is asked to move (run, walk, skip) for 15 minutes on the designated day.
- Students have been given a pledge sheet. They can collect pledges and return them to their homeroom teacher or use the website [99pledges.com](http://99pledges.com). Pledges can be a flat rate or per minute. All pledges will appear on the 99 pledges site.  
**\*\*\*IF EVERY STUDENT IN OUR SCHOOL BROUGHT IN \$20 IN PLEDGES, WE WOULD BE VERY CLOSE TO OUR GOAL!**
- To understand the pledging system, please log on to:  
<http://99pledges.com/fund/thunderrun>  
Scroll mid way down the page to "All Participants". Click and find the homeroom teacher name. Under the search bar will be a list student names in the homeroom, along with the pledge totals. You may also type the student's first name into the search bar. Again, **ALL** student pledges will be placed into 99pledges with 48 hours of receipt to the office.
- **Coinage Challenge:** FRIDAY ONLY! All donations made to the change jars will be put toward grade level totals.
- Why do we need to raise such a large amount?  
PTO contributes **over \$20,000** to clubs in both schools each year.  
Field Trip Transportation, 6th grade Wetlands trip and 4th grade Aquarium trip total **over \$10,000** each year.

These are just two examples of the wonderful activities provided by the PTO!
