NCS PTO Volunteer General Interest

Just 2 Hours — It Makes a Difference!

Dear Parents,

What if we offered you a simple, no-strings-attached way to be more involved with your child, get more connected to her school, and contribute to a “we’re all in this together” environment in your school community?

That’s just what we’re offering. If we can get every Northfield Community School parent/guardian to commit just two hours to helping out this school year, together we can do amazing things for our kids and our school.

If you’re wondering how you can possibly make a difference in two hours, just leave that part to us (and trust us—you can!). There are some parents who have the bandwidth and interest to spend many hours volunteering, and we’re grateful for those who can do that. But the **2 Hour Power volunteer pledge** emphasizes that any and all help makes a huge difference for schools, and throughout the year we’ll have lots of ways to pitch in for short spurts.

As you’ll see from the included Volunteer General Interest form, we’re happy to help you get involved in any way that works for your schedule and interests. What would you like to do? When would you like to do it? We’ll gladly work with you to find a way that you can help—involvement is for everyone.

We’d value your two hours, and **we promise that there’s no obligation beyond this commitment.** If you’d like to do more, that’s wonderful! But it won’t be expected of you.

Participating in our 2 Hour Power pledge is easy. Simply fill out the form on the reverse side of this letter and return it to school with your child. We’ll then be in touch with opportunities that best fit your interests and availability.

Together, we can make a huge difference at our school!
